WHY ME NASHIKKAR ??

Although all associations in Nashik are working hard towards the city's growth and prosperity, there is this need felt by us all for a united front that will look into all major initiatives. We created this Forum, 'Me Nashikkar,' to bring together all the associations under one single umbrella and work together for bringing a positive change in our city.

What is Me Nashikkar

Loss of jobs, Slow Connectivity, Lack of IT Brands, non availability of Industrial land for new industries and ignorance from the State and Central governments in the past has resulted in disappointment of the Nashikkar. We are here to identify the gaps, work towards a feasible solutions & satisfy the needs of Nashikkar's.

Movement : NASHIK 2.0

We, "Me NashikKar - Industry-IT-Trade Forum", are a group of local like-minded Industry, IT & Trade Business Leaders, who along with Nashik leading Business Associations have come together to work towards the betterment of our dear city.

Our United Team of 26 Nashik Business Associations:

Non - Political : Initiative

We assure you that we are not here with any personal or political agenda. It is our adoration for Nashik, and the motivation to boost the development of Nashik that rings us to you for your able guidance & strategic support.

Mantra

The essence of being a Me NashikkarLeader is to make use of your exemplary expertise and experience that you have procured in your respective field, and make a change with the means of self funding with Business Association support, as your own contribution to Nashik.

Objectives of 'NASHIK 2.0: Development Agenda

■ **Nashik IT Destination :**

Focus on getting small extension offices of all large IT firms in Nashik post Covid19 Epidemic & NOMADS as an Advantage work from Home.

■ **Peaceful Nashik MIDC Industrial Zone :**

Creating a Peaceful Industrial environment with limited intervention on Labor Disputes via an Experts Committee to create an Environment – Dispute Free Industrial Zone, to bring Growth & Large Industries to Nashik.

■ **New Large Industries Induction Policy :**

Companies migrating from China- post COID-19 to India need to be invited to Nashik MIDC to be asked to give preference to Nashik equal to AURIC

■ **AIR, RAIL & ROAD Connectivity :**

Projects which are stalled or delayed need Political push and follow-up for timely delivery of the Infrastructure projects to the Nashikkar.

■ **Infrastructure & Trade**

Push for the Right Required infrastructure, Green Housing, Hospitality & Private-Public Business Utility Projects which will bring Growth & Prosperity by supporting ease of Doing Business.

■ **HAL-MRO, Civil Aviation Maintenance & Overhaul :**

Civil Aircraft MRO – Maintenance-Repair-Overhaul Service Centre at HAL
For Servicing, Halt , Subsidies Fuel , Maintenance for Mumbai International Airport.

■ **Eco Tourism & Wellness Nashik :**

With backup of Quality Environment & Hospitality, Regular videos and promotional activities to be done to mesmerize travelers and pull them to come and stay at Nashik & Trimbak.

■ **DRY Port - Logistic HUB & Air Cargo :**

Industrial Manufacturing & Agro processing has picked up big time, but due to lack of Air-Rail Cargo/Logistics, we are becoming more and more dependent on Mumbai. We need a Sumruddhi connect Dry Port-Logistic HUB to get access to JNPT.

■ **Winery & Agro Exports :**

With a Branding of "Nashik Valley "on all Agro exports, need to Make a Global Footprint

■ **Film City :**

Nashik has already been a successful destination for Marathi TV Serials & Movies Safe Destination in Pandemic time. We need to make it a permanent Bollywood extension to make way for a New Economy with Infrastructure & Talent.

■ **Medical Tourism**

A Coordination with Foreign embassies with Gulf Region, South East Asia & Africa can Help in making affordable international Health Tourism Destination using Existing infra

■ **Education Hub**

Nashik lacks in Quality Resources to bank on its Demographic Quadrangle Potential Need Higher Technical Institutes to convert into a preferred Education HUB.

■ **Pilgrimage**

3 Dham Yatra under Shakti - Mukti - Bhakti Carridor as a New Economy.
